Junior Season Report 2015-2016

Junior Season Report 2015-2016

In the past 12 months Edinburgh Cricket Club has grown to become the second largest cricket club in Victoria. This has come about in part due to a demographic surge in area but also, we like to think, because the Burra is a great place for players of all ages to enjoy cricket. The number of junior teams has doubled in the past 3 years from 8 teams in season 2012-13 to 16 teams in 2015-16.

The most exciting development this season has been the advent of our under 15 girls' team. Women's cricket at the Burra has been up and running for over a decade now with the woman this year taking out the WCCC North West Premiership. This season our number one priority was getting a girls' team up and running. Slowly over the preseason numbers gathered and we just had enough players for the start of the ECA Anna Lanning Spirit competition, which runs on a Wednesday evening. Despite their ages ranging from 8 to 13, the girls quickly bonded into a team and before long were playing some great cricket. Word spread and numbers grew over the season so that next season we hope to have 2 teams. Despite falling to Heatherdale in the Grand Final the inaugural season can only be described as a great success, and much thanks are due to Brad Shadbolt for his enormous energy and enthusiasm in coaching the team and also to Dean Campbell for putting his hand up to manage.

Season 2015-16 saw T20 cricket take off domestically with the Big Bash league attracting huge crowds – jumping into the top 10 for average crowd size globally. This helped boost interest in cricket despite a lack lustre Test summer, and Caterina saw a jump in post-Christmas inquiries for kids wanting to play with the Burra. Riding this wave, Duncan McKenzie suggested we run a series of intra club T20 matches on BSO for U14, U12 and U10 players on a Saturday evening following the seniors. Great BBQ food (thanks again Duncan!), terrific parent turnout, clement weather and

*A LOOK
BACK AT
SEASON
2015-2016*

buckets of enthusiasm from the kids made these games a great success and ensure a return in season 2016-17.

A record 19 Edinburgh juniors featured in Representative competition over the summer with Julian Marshall, Darcy Munro and James Connelly playing in a premiership for the ECA U14s; James Fear, Maeve Jack and Sarah Campbell selected in pathways sides; and Harry Syson, Mark Foster, Finn Blackman and Douglas Warren all playing Hatch (Craig) cricket. As well as representative cricket many Edinburgh juniors made the transition into playing senior cricket this season. Senior Captains Todd Delahunt, Paul Moulday and Ron Pennefather are to be thanked in particular for guiding the Edinburgh juniors through into the senior ranks in record numbers this season.

Stan White, former ECC Junior Co-ordinator and life member, has since 2008 been running the Atherton gardens cricket program, introducing the game to kids in the Fitzroy high-rise flats, many of whom have never seen the game before. We thank Stan and other Burra players for this great ongoing initiative.

None of the junior program would be possible without the considerable contribution of senior players and parents in their roles as coaches and managers of junior teams. From organising rosters for tea and scorers, to making sure we have enough players each week and providing lifts out into the leafy eastern suburbs, the team manager's role is a very important one and for this we are all grateful. Thanks to our managers Kate, Alison, Bronwyn, Kyle, Richard, Christiana, Denzil, Jonathan, Andy, David, Paul, Andrew, David, Matt, Cluny and Dean for all your fine efforts. And to our Burra coaches – a terrific mix of parents, senior players and poms – thank you for providing our young cricketers with your guidance this season. Thank you Richard, Peter, Cameron, Brad, Matt, Duncan, Angus, Dave, Matt, George, Paul, Kris, Jack, George, Ash, Sunny and Eamon.

Finally I would like to thank the Edinburgh club executive for the tireless support of the junior program, in particular Vice President Brad Shadbolt, Director of Cricket, Stuart Whiley and

Caterina Stella our Junior Administrator who has handled the growing number of juniors with great patience and aplomb.

Go Burra!

Randall Nodin

Junior Co-ordinator

Edinburgh Cricket Club

Junior Season Report 2015-2016

It was the first year of club cricket for the entire Edinburgh Green team and the players, parents, coaches and management had an immensely enjoyable season.

This was in large part due to the excellent organisation of Edinburgh's junior administration, which is handling the demands of rapid growth expertly. The supply of equipment, communication, running of training facilities and added resources such as the provision of English imports Jack and George as nets consultants was greatly appreciated. All contributed to an enormous improvement in the skills and performance of our team.

Bowling on the narrow Cox Oval pitch, and fielding on a patchy surface later in the year presented a great challenge for the boys and they learnt some lessons that will hold them in good stead in future years.

After such a great initiation, I expect a large number of our players will move up the grades in years to come.

Thanks particularly to team manager Kate Silvagni, the many parents who helped on match days and junior co-ordinators Randall Nodin and Catrina Stella for their support and encouragement.

Player assessments

Thierry Aughterson: Showed exceptional improvement with his now classical batting technique, bowled consistently throughout the season and was always very eager to learn and improve.

Asher Carter: A great learner who was willing to make major

Kate Silvagni

adjustments to his batting and was scoring freely by the end of the season. Showing great potential as a fast bowler and only needs to improve his length to take a lot more wickets.

Xavier David Hanna: A natural fast-bowler who quickly learnt to match his enthusiasm for raw speed with the need for consistent line and length. Will take plenty of wickets in the future. Batting improved rapidly as he learnt to play straight and pick the right ball to hit.

Darcy Dunn: Easily the youngest player in the team but one of the biggest achievers. Proved himself to be a natural talent with the bat and metronomic with the ball against much bigger opposition. A hugely popular teammate.

Leroy Dunn: A terrific all-around season. Has a solid batting technique and is learning to build an innings and increase his scoring options. Showed promise as a hard-to-hit spinner in the second half of the season bowling a consistent line and length.

Elias Demant Rundgren: Excelled with both ball and bat. His quick left arm inswingers took plenty of wickets and his aggressive, unselfish batting was valuable. Will only improve as he scores more on the off-side and organises his defence.

Asher Dunning: A later-starter who made tremendous strides throughout the season. Always willing to take advice and showed great improvement with the ball by lengthening his run-up, improved his ball-striking and running between the wickets and worked really hard in the field.

Pablo Gooi: Always very enthusiastic and determined, Pablo played some terrific innings and his aggressive running between the wickets set the standard. Has mastered the basics with his bowling and consistency will come with some more hard work in the nets.

Lachlan Haydon: A stylish batsman who always looks totally in control at the crease and who will flourish in the longer formats. Bowled some good spells of medium pace and will gain consistency with experience.

Leroy Hinds: Had an excellent all-around season. Took plenty of wickets with his tight medium-fast bowling, was very well organised with the bat while gradually increasing his scoring options

and was always looking to be involved in the field.

Darcy Hornsby: A big improver. Was bowling ultra-consistent line and length by the end of the year and, while very unlucky with the bat in a few games, showed enough to suggest he will make plenty of runs in the future. Also shone with the gloves when given the chance behind the stumps.

Sam Mellody: Outstanding both behind the stumps where his sharp wicketkeeping regularly caught the eye and with the bat where he consistently punished the bad balls and made the most of his time at the crease.

Harley Mileto: Hampered by an arm injury early in the season but worked very hard to become a consistent performer. Having developed a straighter bat and straighter bowling arm, Harley finished the season strongly with the ball particularly and will be an even greater contributor in future seasons.

David Oliver: Improved every aspect of his game markedly and was making valuable contributions with bat, ball and in the field by seasons end. With the bat, particularly, seemed to benefit from time in the middle and his confidence to play shots has grown.

Richard Hinds (coach).

Edinburgh Cricket Club

Junior Season Report 2015-2016

With six second year U10 and seven new and talented first time players the U10 Maroon side enjoyed a successful season, with bat, ball and most importantly in forming a strong and supportive team environment.

Having 13 players meant rotations were required whilst bowling, which impressively the team managed themselves, with only a little guidance and no complaints. Often our team filled in when the opposition was down on numbers in the field, which the boys did very sportingly, including the occasional demise of one of our batsman due to some great fielding and catching.

The U10 Maroons should be congratulated on their excellent running between the wickets, which was often commended by the opposition coaches, this certainly helped in building match winning totals on more than one occasion.

Throughout the season every player made a great contribution to the team with some outstanding performances. To sum up the season I will profile each player and their season highlights.

Tom Alexander: Had an exceptional season with the bat, hitting a season high 105 runs at an amazing average of 35.00, with a top score of 18* in game 13. Often finding the boundary or very professionally defending the good balls with great technique. He was also terrific in the field and bowling, in particular backing up in the field. In all Tom took 7 wickets, with his best performance being 2/1, he took 2 wickets on 3 occasions.

Luca Conduit: Continued on with his strong performance from the back end of his opening season, scoring 36 runs at an average of 9 and

Kyle Mortimer

impressed with the ball taking 5 for 33 from 19 overs. His best bowling was 2/0 in game 7. Luca was a strong leader on the field and showed the way with running between the wickets.

Ari Lynden-Bell: Replaced Luca in the team after the Christmas break and took over where Luca left off, taking 4 wickets from 8 overs in the last 4 games. Ari put his body on the line on more than 1 occasion in the field, stopping certain fours with some great fielding.

Fred Culham: Continued to develop as a great all-round cricketer. One of the strongest fielders in the team, Fred certainly saved a number of runs and then did some great work with the ball taking 7 wickets for 47 off 23 overs, with his best bowling of 2/5 coming in game 4. The batting highlight was a top score of 11* in game 8. A keen cricketer with a great work ethic at training.

Louis Hodder: A passionate cricketer with the skills to match. Louis starred with the ball taking 8 wickets for 41 off 24 overs including 6 maidens. His best figures were 2/0 off 1 over in the final game of the year. He certainly did his part with the bat scoring 69 runs at an average 8.6 and a top score of 17*. Louis took the gloves for 3 matches and demonstrated the skills of his idol, Gilly.

Jack Mortimer: A great all round performance in his second season. Noted for his accurate bowling Jack took 4 wickets for 55 off 25 overs including 4 maidens. An excellent contribution with the bat scoring a total of 70 runs, including a highest score of 15 in game 2. Jack displayed great skills and leadership in the field, chasing down or stopping most balls in his area and in the second last game taking one of the catches of the season with great 1 handed caught and bowled.

Harry Paterson: A strong end to a season full of improvement. Harry highest 2 scores came in that last 2 games with a top score of 10 in game 13. Great to see the confidence return to his bating and running between the wickets. Excellent contributions in the field and with the ball, being instrumental in a number of run outs.

Joe Schickerling: Sets the standard for team camaraderie and support, always offering an encouraging few words for his team mates. Joe's bowling improved markedly this year, with a fantastic effort in game 6 of 3 for 7 off 3 overs. Joe protected his wicket with a rock solid batting approach and was instrumental in adding to the run total by maximising the byes and extras taken with strong calling and running between the wickets.

Xavier Brown: Made significant improvements with his bowling and batting through the year. In the second last game he took 2/8. His best batting was in game 8 with 8 runs. A really spirited team mate from the sidelines and certainly not one to take a backward step. Would be counted amongst the most improved.

Jamieson Cohen: After securing Jamieson's services from the Clifton Hill cricket club Edinburgh U10 Maroon benefited from his consistent performance. Significantly, Jamieson scored in all but one of his innings with the second most runs for the team of 72 at an average of 14.4 and a top score of 10*. His bowling steadily increased in speed throughout the summer.

Henry Nicholls: One of the most improved players in the team, he came into his own after the Christmas break and had a spectacular game in round 13, taking 2/0 off two overs and scoring 12 not out with the bat, including 3 fours. Henry scored over 60% of his season runs in the last 4 games.

Lytton McAteer: Certainly one of the biggest improvers over the season, Lytton delivered a fantastic bowling display in game 11 with 2 wickets for 4 runs. Lytton never waived from one of the key team goals of strong calling and running between wickets, despite being on the wrong side of some great fielding by opposition teams and losing his wicket a few times in runouts. His continued effort and sportsmanship must be commended.

Daniel Riches: Capable of delivering an unplayable ball with his fast left handed bowling, Daniel consistently improved with both ball and bat throughout the season. Scoring a total of 47 runs and a highest score of 9 in game 11. A great fielder and thrower, but most noteworthy was the catch of the season in the last game, a hard flat pull shot caught overhead on the boundary to prevent a six.

Liam Watt: A very impressive leg spinner, who opened the season with 3/6, the best bowling figures of the season and finishing the season with 8 wickets for 69 off 23 overs. It should be noted that Liam had a few extra wickets during the season that didn't count, as it was the opposition players first ball, this actually denied him a hat-trick in the first game. Liam's batting also showed great improvement and he finished the season with a highest score of 9* in game 11.

A special mention must go to Cameron, our coach, who setup the season with his ability to build a team that looked out for each other and supported their team mates in great spirit. Every game was played with genuine enthusiasm and in the spirit of having fun.

As Team Manager, Kyle Mortimer ensured the matches ran like clockwork during the season, and went above and beyond by organising several team functions during the season to help players and parents bond, and celebrate achievements. Kyle stepped up to coach in the second part of season without hesitation, to add to his Team Manager duties.

A huge thank you to Mark Schickerling and Cletus Brown who put in a massive effort by taking the boys for training sessions and on game days, helping to keep the boys focused.

Also thanks to all the parents for their support and rotating the match day duties in padding up, providing morning tea, counting balls and scoring.

Edinburgh Cricket Club

Junior Season Report 2015-2016

At the start of the season the U10 Burgundy team came together with only one player having played competitive cricket before. We set some goals focussed on having fun, playing the game in the right spirit and developing some basic skills. Now, at the end of their first season, we couldn't be prouder of the boys and the improvement in their cricket as individuals and, more importantly, as a team.

The performance in their first game was amazing given their inexperience – we were highly competitive with many of the boys scoring their first runs and a few taking their first wicket. Other team highlights included the second match against North Balwyn Maroon in round 6 which showed how far the boys had improved from their first game; and the round 8 game against Kew Junior Black when we took all 10 wickets and conceded only 49 runs. However, the highlight of the season was the performance in round 12 against Kew Junior Black which ended in a tie (second of the season!).

Across the season the improvement in all areas of their cricket was marked – bowling accuracy, fielding, catching, defensive batting, running between the wickets (most games) and backing up in particular. The team also played in the right spirit throughout, supporting and encouraging each other and having fun. We hope that the boys have developed a life-long love of the game and go on to play cricket for many years.

In terms of personal best / individual highlights:

Ollie Adams – our hired gun from the north had a great year. After taking his first wicket in round 1 against North Balwyn Maroon he bowled well (and fast) throughout the year recording his best figures of

Richard Colyer

1/0 twice – in round 3 and 6. With the bat Ollie also got on the score sheet in round 1 and made his highest score of 17* in typically aggressive style in round 12 against Kew Junior Black.

Joseph Barnard – Joey's cricket improved enormously throughout the year - his defence with the bat and bowling accuracy in particular. Joey took his first wicket in round 3 against Balwyn and recorded his best figures of 1/5 in round 14. After getting off the mark in round 1, Joey recorded his highest score of 4* twice, in round 12 and 14 and is still talking about 'that pull shot'. Joey was also the first in the team to take 2 catches in a game (round 8).

Freddy Cole – While Freddy took his first wicket and made his first official run in round 8 against Kew Junior Blue, the undoubted highlight for Freddy was his dominant performance against Kew Junior Black in round 12 where he made his highest score for the year of 6*, including smashing one through the covers off the last ball to tie the game. The rest of the team chanting his name after the game as they walked off the field was one of the great moments of the season.

Dylan Colyer – The fast bowling cult figure with the long run and the 'ball point' at the top of his mark, Dylan took his first wicket in round 7 against Kew Junior Purple and went on to terrorise batsmen with his best figures 1/2 in round 11. Dylan also greatly improved his defence with the bat and was very hard to dislodge – his highest score was 4* in round 6.

Seb Donnellan – While always focussed on the team, Seb took particular delight on those weeks when he out-did his brother with bat or ball – and he had a few of those to enjoy. As skipper, Seb took his first wicket in round 1 with best figures for the season of 2/4 in round 8. Seb's first runs came in round 2 and made his highest score of 8* in round 13 in the derby, leading the way with some outstanding running between the wickets.

Henry Gangoiti – Henry had lots of great performances throughout the year but in round 5 he really dominated. Taking on the Balwyn Blasters Henry recorded his best bowling figures of 1/0 and his highest score of 10*. Henry's first runs came in round 1 and his first wicket in round 2. Henry also worked hard in the field and improved his catching.

Lachie Green – Lachie showed his great batting technique throughout the season, only getting out 3 times from 14 hits. He recorded his highest score of 8* in round 12 against Kew Junior Black after scoring his first run in round 1. With the ball Lachie also showed great technique and accuracy and took his first wicket in round 5 and twice took 1/0 (round 5 and 14) as his season best.

Marco Holmes – Marco improved remarkably throughout the year with bat and ball and displayed an unflagging enthusiasm for the game and want to improve. Marco took his first wicket in round 8 which was also his best bowling for the year of 1/0. With the bat, Marco belted 8* in round 3 as he got his year's tally going and took a great catch in round 12.

Samson Kemp – Samson was a great team man all year contributing on all fronts. His batting got rolling early making runs in round 1 and flayed the bowling for his highest score of 6* in round 7. Samson took his first wicket in round 8 which was also his best bowling for the year – 1/0. Samson affected a great run out in round 13 and fielded and kept well.

Freddy Marmo – Not content with his left arm rockets, Freddy switched to left arm leg spin during the year to great effect – culminating in his best bowling figures of 2/4 in round 8. Freddy's first run off the bat came in round 3 and showed great leftie style in making his highest score of 8* twice, in rounds 9 and 14.

Jack Moston – Jack had a really consistent year performing extremely well with both bat and ball. Jack took his first scalp in round 4 and which was also his best bowling for the year of 1/1 (which he also achieved in round 9). With the bat, Jack kicked off the season really well top scoring in round 1 and went on to record a highest score of 17* in round 5. Not always convinced by the coaches directives on front foot defence, Jack kept the boundaries flowing all year and also contributed well in the field with a number of catches and run outs.

Roman Moxon – Roman was a dominant batsman throughout the season, notching his first runs in round 2 and scoring a season high 15* in round 3 – being the first in the team to retire. Roman improved his defensive technique significantly during the year and also contributed with the ball with his first wicket coming in round 7 with best bowling of 1/1 in that round and also in round 9.

Josh Murray – Josh is our 'Mr Cricket' with his love of cricket obvious. Josh bowled well all year with his first wicket coming in round 3 and best bowling of 2/0 in round 5. Josh made runs from round 1 with his highest score of 7* in round 12 and has a great technique to take him forward.

Kai Sanders – Kai must have had a strong dislike for the Kew teams as he lifted in those games to record his first wicket (round 7), best bowling (1/2 – rounds 7 and 10), first runs (round 2) and highest score (6* round 12) against them. Kai had a great all-round year and will clearly be a better player than his Dad.

On a personal level I would like to thank the boys for their enthusiasm and commitment – it was a really rewarding experience to coach the team. I would also like to thank the parents for endorsing and supporting the approach we took in running the team and developing the boys' skills and for your encouragement of the boys on a weekly basis – and for the morning teas, scoring and umpiring.

A big thanks also to Richard for all his work organising the team behind the scenes as Team Manager and to Ben for helping out with the coaching.

Hope to see you all back next season in the Maroon and Gold – Go Burra!

Edinburgh Cricket Club

Junior Season Report 2015-2016

Season 2015-16 was again an enjoyable year for all children and parents involved. The U'10 grade is a development grade – with all children being given the opportunity to bat, bowl, field and keep wickets on a regular basis. The group have forged a strong bond and managed to win a few games along the way – which was great for everybody's (mainly the parents) sense of achievement.

A junior team wouldn't be able to function without an able Team Manager – and this year we had the dynamic duo of Paul & Megan Grover. Many thanks to them who organized all the off field requirements for 2015-16 and managed to keep the coach out of too much trouble!!!

I need to formally thank Chris Campbell, George Hampshire, Jack Edgar and Mluleki Nkala (Syke) for their assistance coaching and mentoring the U10 Gold players on a Tuesday night and Saturday morning. And special mentions must also go to the legion of mums & dads who were always on hand to help when needed.

Also to Junior Coordinator – Randall Nodin and Junior Administrator – Caterina Stella – a massive thank you from all involved In the U'10 Gold group – we appreciate your efforts in organizing the ECC junior program, which enable us and 200 others to have a game with appropriate equipment/resources each week.

The awards for 2015-16:-

All Rounder's: James Shadbolt, Sasha Pereira, Owen Eade, Alex Hyatt – All rounder

Keeping: Katelyn Shadbolt & Keira Grover – Keeping

Batting: Elliott Harris, Ned Van de hoeven , Lewis Balston & Isabella Smith

Bowling: Henry Harrison, Ted Smith, Oscar Bowditch-Brown, Elijah Bowditch-brown

I would ask all the children to ensure they work on the following for next season:-

- Listening to the coach's/parents instruction
- Defense first & running between the wickets when batting
- Following through when bowling.

To those children who move into the U'12 next – good luck, remember that the key to cricket is enjoying the game and that your first coach knows best!!

To the children who are returning for another year of U'10 cricket – practice, practice, practice.

Enjoy the winter – Go Burra

Brad Shadbolt

Coach of the Mighty U'10 Gold.

Edinburgh Cricket Club

Junior Season Report 2015-2016

Edinburgh made the decision to field their first team in the Under 12 A division this year, not quite sure how the year would unfold but knowing we had many great young cricketers at the club who were up for the challenge.

With barely a week together to train and get to know the new rules – full length pitches, heavier leather ball and two day matches – the team did a terrific job of bonding and grappling with the many cricket lessons from the coaches.

Whilst the learning curve was steep it is fair to say that the team did extremely well. The team's highlights included each of the 3 games won, securing a dramatic tie against Kew in heavy rain at the BSO on the last ball and battling out a hard fought draw on the hottest Saturday of the year. Most of all the team learnt many of the really important lessons in the highest grade of cricket whether it was with the ball, playing their role in the field or building a team score through batting. They should be really proud of their efforts and spirit.

Some personal highlights for the team::

Rudy Baker – Having worked hard through the winter on his cricket Rudy's ironically hit his straps in the extreme heat! His gritty innings opening the batting in the very hot conditions vs Glen Iris Peel putting on 30 runs with Dash. The happiness on his (very red) face when he came off was inspiring for all. Rudy then followed this up with an innings of 28 N/O* vs BUC Gold and steadied the ship when wickets were

tumbling around him, showing real grit and determination. Rudy was also a master of the maiden and he bowled very economically all year.

Harry Broderick- One of just Under 10 recruits, Harry very soon cemented himself as a valuable all-rounder in the team. . His 33 vs Kew and 20* vs BUC Gold when he put on 36 for the last wicket stand with Max were stand out innings. Harry also put down some great fast deliveries and has an incredible throwing arm that had opponents fearful of whether to take a run or not!

Billy Daffern – Billy was a very important member of the team – often steadying bowlers and fielders at critical times. He exemplified grit and determination with his bowling and felled many cocky batsman such as the wicket taken against Balwyn North when the big hitters were threatening and the spell against Trinity when only 3 runs came off the last when the batsman were seeking to score fast.. With Batting Billy's 11 no. against Ashwood after nearly knocking himself out was awesome. Equal first in the dry sense of humour stakes with Harry!

Max Daphne – Max had quite a breakout year in 2015/16 – showing great skill with his bowling but also with the bat. In the game against Kew Junior Max figured in a partnership of 35 with Connor and then bowled the last over conceding only 2 runs and getting 2 wickets to help us tie the game. Max's bowling efforts had him up amongst the best in the A division and his batting confidence was no doubt helped by his many good U14 efforts too. It was great to watch (and hear) Max out on the pitch for Burra.

Quinn Doherty - Whilst Quinn's year was interrupted with an untimely broken wrist Quinn pre-Christmas he returned in 2016 with relish! His 1/3 against Mont Albert including a freakish one handed caught and bowled was great reward for his improved line and length. The look on the face of the opposition coach when he took the catch in that game spoke volumes! Quinn also batted well in the last few innings – hitting a couple of big fours when such were really needed. He has shown great development with both bat and ball – (also in equipment usage, as he finally seems to be able to bat without his box appearing near one of his knees.)

Lachie Gill – Lachie took on a tough role this year being keeper for 98% of the time – often in tough long innings. Lachie worked incredibly hard and benefited from his keeping coaching and adapted immediately. His “none shall pass” attitude was fantastic. The three catches against Surrey Hills included two blunders down the leg side were a highlight that had (one) of the umpires finding it hard to hide his delight. Lachie also loves a big swing at the ball and

played an important role in getting runs to get over the line against Ashwood. Finally thinking he wanted a bowl in the last 15 minutes of the last innings of the last game Lachie scored a wicket – not something all gloved Gillies can claim!

Connor Lester- Conner had a standout year with bat and ball. There were many great efforts but in particular his second bowling spell vs Glen Iris Peel (4/23) when we chased a lot of leather but he persisted and took some great wickets was a real credit. With the bat Conner built many good innings including a 40 no out in the one day match against Mont Albert. He hit some beautiful cover and straight drives. IT would be remiss not to mention that Conner topped the ECA bowling for all of Under 12A – well done Conner!

Tom Miletto- In only his second match Tom hit a beautiful 50* vs North Balwyn – that made us all proud. It was an innings that he built patiently against a team that ultimately made the Grand Final with a variety of shots and clever singles. Tom proved a hard nut for the opposition to dismiss and was also was a key contributor in the field with his awesome catching in the last game vs Trinity Wilson really on show.

Jules Pellegrino was the other of our two under 10 graduates. Jules' worked so hard on his batting and had many good contributions. His innings vs Ashwood putting on 61 with Connor set us up for victory and had the opposition parents clapping him loudly off the ground when only a freaky direct hit had him just out of the crease. He also snuck through quite a few batsmen's defences with a consistent line and length bowling resulting in 7 wkts for the year. His love of cricket and learning was infectious and he was a very popular member of the team. The epitome of a great team man.

Ethan McKenzie- Ethan is another of our key all rounders who was really hitting his straps when the cruel backyard hazard cut the year short. His innings of 27 *vs Surrey Hills Gold in which he put on over 50 with Connor was crucial to leading the side to victory. He then followed this up with 5 overs 1/9 in the same game and some blindingly fast deliveries. He was a big loss to the team when his season was cut short, not just because of his great all round skills but his leadership and cricket nous a true Clubman!

Massimo Nodin – Massi had an amazing season with the ball – leaving many batsmen bemused at what just happened. He was really consistent and his well disguised pace combined with full length brought the rewards it deserved. In just the second game Massimo tore through the

North Balwyn line up in a blistering display that saw him take 4/19 and had us on the boundary all excited. Massimo also hit some great fours to help secure the win over Ashwood when we needed all of our team to contribute. Massimo was a mature influence on the team on the park and a leader of the future.

Dashiell Spencer White – Having weathered some tough opening spell against the top teams Dash proved himself a gritty stayer on many occasions (when not getting run out!). He dug in hard in his vital innings vs Glen Iris scoring 23 having opened the batting then returned in searing heat when the wickets were tumbling. Surviving with a not out saw out the draw in a touch game. Also we cannot forget his bowling spell & in particular novel celebrations vs Trinity Wilson when he took 3/20 off 6 overs. Dash bowled very economically all season underlining the importance of good consistent line and length.

Edinburgh Cricket Club

Junior Season Report 2015-2016

The first season playing in the under 12s for most of the players and a season that reflected the change in emphasis that 2-day matches bring. All the team members contributed to the development of their cricketing endeavours in what was a very competitive but enjoyable grade. Congratulated by other teams for applauding the efforts of opposition players and their fine sportsmanship the team and parent group well represented the club and themselves.

Luke Campbell was a little surprised by his selection for U12B but his team first attitude, perennially engaging smile and steady contribution with bat and ball proved him worthy of a place. He saved the best for last with a delightful 16 NO, 1/8 with the ball and a dynamic runout in Round 9. His effort never waived and was justly considered the player most dedicated to the team this year.

Michael Daffey's experience in the U12s last season made him critical to the team's development this year. Quick with the ball and steady with the bat Michael's ceaseless work at deep square leg cut off certain 4s throughout the season. His season highlight was a rock steady 15 runs, 1/9 with the ball and a blinder of a catch at square leg in Round 4.

Tyler Drew batted well again this season to deliver 62 runs and had to be the unluckiest bowler in the team but his resolve was great and never more so than when he stayed unflinchingly at the crease to achieve a personal best of 27 NO (including four 4s) and a sensational catch at point in Round 6.

Denzil Flood

Jack Driscoll had a fine season with the ball that once again saw him take 7 wickets and was the bowler most often chosen to close out the innings when the pressure was on. The highlight of his season was a marvellous 4 over spell in Round 9 where he bowled 2 maidens and finished with figures of 1/3 – outstanding.

Riley Flood dominated with the ball and in the field with 10 wickets and a staggering 12 catches and 3 runouts for the season. Wearing his heart on his sleeve, he finished with an economy rate for the season that only conceded 2 runs per over including terrific figures of 3/1 in a single over in Round 1.

Tai Hill is a fast mid-order batsman whose season was about the how the hardness of the step up to U12Bs requires a player to draw on the hardiness of his character. This he did week in and week out and delighted us all with a season best of 16 slashing runs from a handful of balls in Round 5 to set up the team win against Glen Iris.

Will Kaye has developed into the grittiest of opening batsman and has the best nickname for a bowler in years (The 'Cobra'). A brilliant season average of 54 with the bat and a dedication to valuing his wicket saw him give the team the right start in a number of innings. A season tally of 109 runs was capped off with a chanceless 33 NO in the final round to set up victory for the team.

Rory Kennedy, Captain of choice by his team mates and coach, has the temperament to make a fine skipper and is a stalwart batsman under pressure. Rory's off side shots are classical and he amassed a stylish 92 runs batting mostly at No 3. His season highlight was a gloriously cool-headed 33 NO in Round 5 that saw him lead the team to victory when at one stage all looked lost.

Tom Ladson, each game there is nothing finer than seeing Tom effortlessly scoop the ball up from fine leg hurl it back with his rocket arm and see the ball hit middle stump. A deceptively quick slinging action that unsettles batsmen, his season highlight was a commanding personal best of 12 NO and 1/14 off 4 overs in Round 9.

Will Moore is universally regarded as the toughest player on the team as he played a 1-day match in Round 3 with what turned out to be a broken collar bone rather than leave the team short in the field. A classic medium pace style he was instrumental in the team victory in Round 9 by giving his all to return great figures of 2/14 off four very controlled late innings overs.

Stanley Nicholson, Vice-Captain of choice by his teammates and coach, presented himself as a deft opening bat, taking on the best of the opening bowlers and always running like a hare to turn 1s into 2s for a credible 62 runs for the season. His development to bowling genuine leg spin was a triumph and a fantastic season best performance of 4/9 in Round 8 delighted the supporters from both teams – “bowled Shane”.

Yenka Silberstein brought the team much needed patience as a result of his season in the U12s last year. A teasing swing bowler, Yenka stormed home with 6 wickets in the last 4 matches. His season highlight was a 'triple threat' performance in Round 9 of 9 NO, 2/8 off five overs and an audacious single game record of 4 catches in the field.

Kirin York is the most stylish of all our bowlers and looks every inch the proper fast bowler. At times unplayable for even the best opposition batsmen and only conceding a miserly 2.5 runs per over, Kirin was ruthless as the first choice opening strike bowler and his performance in the team's Round 5 win of 4 overs, 2 maidens, 2/2 was stupendous.

Edinburgh Cricket Club

Junior Season Report 2015-2016

With eight players retained from the previous season, we had six new players start in the team. In many instances, having a team of 14 players can present many challengers particularly in ensuring each player has an equal contribution to the team's success. Thankfully, due to the dynamics of the team and their collective spirit, it never presented itself as an issue.

Throughout the season every player made a great contribution to the team with some outstanding performances. To sum up the season I will profile each player and their season highlights.

Patrick Quilty: Had an exceptional season with the bat, hitting a season high 95 runs, with a top score of 16. His best performance was four fours off five deliveries. He was also terrific in the field and bowling. As the year progressed, Paddy's confidence grew and he became a key member and favourite of the team.

Finn Cleary: Impressed with hitting 84 runs at an average of 14. Made great improvements as the season went on and developed great eye ball coordination. In the last four games made 51 runs alone. Great work in the field with some great catches and made great improvements with his bowling with three wickets.

Josh Fitts: Had a terrific year with his bowling taking seven wickets at an economic rate of 3.04. He was the leading wicket taker for the team. Also very impressive with the bat and fielding. Contributed greatly to

the team spirit and was an great team leader. One of the best runners between wickets.

Tom Ward: Displayed excellent batting technique. Towards the end of the season made some of the best cover drives I've ever seen in the team. Showcased to the team on his batting style. Highest score was 19. The transformation by Tom in his batting technique was one of the highlights as a coach. His fielding and bowling skills also made big improvements.

Flynn Coyler: Second half of the season saw Luca transform from a shy reluctant bowler to become the most consistent and disciplined bowler of the team. An outstanding commitment to improving his bowling saw this transformation, taking six wickets at an average of 11.5. His batting and fielding also saw great improvements. Luca is a great example of what hard work and commitment can do.

Sam Ward: A true leader particularly amongst the bowlers. Sam has a natural ability and rhythm when it comes to bowling. His batting and fielding was also very impressive and showed great leadership amongst the team.

Xavier Di Scala: Performed well with both the ball and the bat. Made 140 runs with an average of 18.17 . His bowling average was 5.7 one of the most economical bowlers in the team. Highlight was a one handed catch to win a game early in the season. Great work done in the field.

Aidn Watt: Had an excellent second half of the year particularly with keeping and batting. One of the stand out fielders within the team. In the last four games made 45 runs with a highlight of 15 runs in round 13. Made a fantastic contribution to the team by travelling from Kyneton to play his games at the end of the season.

Jack Oldfield: Made significant improvements with his bowling and batting through the year. In the last game took two wickets. His best batting was in game 11 against Balwyn with 11 runs. Really started to understand the importance of running between wickets in second half of the season.

Huxley Williamson: A fantastic first season. Made huge improvements in all aspects of the game. Bowling showed real discipline taking five wickets. As the season progressed his confidence in batting made great improvements. Well done on a great year Kieran.

Aemon: Had a spectacular season with his bowling and made great improvements as the year progressed. Taking six wickets for the year at a rate of 3.76. His best figures were 3/4 in round 14. He batted particularly well in the second half of the season. A pleasure to coach.

Hamish Harvey: After a sluggish start, Hamish made some significant improvements in the second half of the season. The highlight was his 16 not out with two fours against Balwyn. He also picked up some handy wickets through the season and made a number of run outs.

Matthew Federico: Showed great improvement throughout the season considering he only joined the team half way through. A big hitter of the ball, had no problem adjusting within the team. Highlight was 9 not out against Boorondara. Made huge improvements on his bowling.

Patrick Schickerling: Joe showed great improvement throughout the season. His batting in particular was very impressive, with an ability to place shots around the field. Good consistency in runs in the second half of the year. Made great improvements with his bowling.

Finally, I would like to thank Johnathan Quilty, our team manager, and mark Schickerling a co coach who both made the season run like clockwork. Also thanks to all the parents for their support and who all helped out in padding up, providing snacks and scoring.

Edinburgh Cricket Club

Junior Season Report 2015-2016

The season began with 8 players elevated from the U/10s Gold, and blending 7 other boys into the mighty U/12s Burgundy. The boys rekindled last years' friendships, and became a very robust and talented team. From the first training session in October, it has been a privilege to be involved with such a great bunch of boys, who always arrived on time for training, were like sponges taking on advice to better themselves, they respected each other and there opposition. We started the season with 3 losses, however, the third loss was by 1 run, giving the boys some renewed confidence. After the stirring win against Richmond in the rain, another 1 run loss followed. Then it all came together at home...Fairfield Park. Winning the next 3, including the infamous match against eventual minor premiers Booroondara, where our mild mannered team Manager Andy had steam emanating from his ears!!!!

During the Christmas break, I received the most uplifting news you can imagine. Taran was making his comeback after his illness. Upon our return, Taran fitted into the line-up as if he hasn't missed a beat. We finished off the season in 7th position, winning 6, losing 8, however, we lost 3 games by 1 run.

Finally, a special thanks to our English imports George, Jack and Charlie, providing much needed guidance and support, our much loved team manager Andy Olsen and all the parents made the season very enjoyable and run smoothly. My highlight for the season was that each player made a contribution, and achieved a new personal best, with some outstanding performances.

Antonio Raso: Antonio had an amazing season. The "Don" average before the final game was 122. As the season developed he had a hunger and desire to get better, and displayed leadership skills in organising the field during play. He achieved his goal of getting new personal bests, with bat and ball- winning the batting and second in bowling awards. New highest score of 21* and new best bowling figures of 2/3. Great season Antonio.

Patrick Kingham: Patrick had an outstanding season, as our main strike bowler. He has improved all aspects of his game, and showed strong leadership on field. Very popular member of the team, again Patrick showed his improvement with new high score of 10* and best figures of 3/3. Well done Patty.

Sam Olsen: Is there anything Sam can't do? He continued his good form from late last year, and really blossomed into a star batsman, wicket keeper, fielder, bowler and scorer. His best season culminated in coming second in the batting award. The most energetic keeper at the club, Sam was always on the look out for dismissals, his read of the game is amazing. Again, Sam improved his batting high score to 23* and best figures of 2/2. Great season Sam.

Thomas Romano: Tom was always extra keen to bat or bowl first. As the season developed he sharply improved his bowling through practice and practice, getting to the stage of becoming the quickest bowler. His fielding became a weapon, and was always backing up and taking the stumps. His improved was displayed with the new ball, taking 2/2, top score of 13*. Well done Tom.

Thomas Tyrell: Tom showed great improvement in all aspects of the game. Developed his fielding to a senior standard, taking an amazing catch. Popular member of the team, Tom made his new high score of 11*, and best figures were 2/5. Great season Tom.

Will Sweeting: This was Will's first season of cricket. Wow, he looked like a natural bowler, with a great rhythm and action. As the season progressed, Will became more confident in all aspects of the game, especially batting and fielding. He left it to the last game to take one of the great catches of the season. High score of 6, best bowling 2/2. Well done Will.

Sam Moulday: Sam continued his improvement, however, he hit a hurdle by breaking both wrists after round 2. He came back after Christmas, showing great dedication while he was away and developed his bowling into left quick. Sam managed to make new high score of 14, and took figures of 1/3. Well done Sam.

Taran Child: Coming into the team after Christmas, Taran slotted back into the line-up with ease. In the field, he attacked the ball, and his bowling developed very quickly. A popular member of the team, Taran made 1* and took 1/4. He promised he will be back bigger and stronger next season. A great effort Taran.

Asher Baade: Great season, he worked hard on his bowling and batting. He changed his game from wicket protector, to an aggressive batsman. This worked well, hitting the ball crisply, unfortunately, fielders got in the way taking great catches each week. Popular member of the squad, our leg spin/off spin wrong un doosra bowler contributed new high score of 8* and figures of 2/6. Great work Asher .

Dylan Murphy: He really grew as a cricketer this season. He is a natural sports person, who starred in the field. A popular member of the team, he took the catch of the season, diving forward , and in the same game, 2 direct hits for run outs and took a wicket. He continued his improvement with high score of 6* and figures 1/3. Great season Dylan.

Fergus Hope: A very popular member of the team, Fergus continually wanted to improve his game. This fierce determination came through after the break, when a new confident Fergus arrived. His batting and bowling were exceptional, making new high score of 5, and taking 1/2...We were both very proud of his goal to bowl a maiden...which he did. Great stuff Ferg.

Darcy Varghese: A promising start to the season was dampened by another broken arm. He came back after Christmas, and improved his skills very quickly. Darcy has a passion for the game, and is always the player backing up in the field and getting down to each ball. High score of 4* and figures of 1/6. Great effort Darcy.

Hugh Collins: Again, Hugh showed great improvement throughout the season and was determined to improve all his skills- which he did very well. He played the most elegant cover drive of the season, getting his PB in batting 7* and bowling 2/1. A highlight was the fielding performance in the last game- great stuff Hugh.

Amon Brock: Amon was a new addition to the team, and had not played previously. If I could give an award for most improved, he would win it. A very popular member of the team, Amon

worked hard on his batting and bowling, peaking on the last game, bowled amazingly taking 2/2, and high score 4*. Great season Amon .

Carlos Paatsch-Rubio: A talented and popular cricketer, Carlos showed great aptitude in a number of innings. He was given a specific task, and followed it to a T. His leg spin was a highlight and batting continued to improve. High score of 16, and took 1/1. Well done Carlos.

I look forward to doing it all again next season.

Paul Moulday

Coach U/12C Burgundy

Edinburgh Cricket Club

Junior Season Report 2015-2016

The Mighty U/14 C's enjoyed what was a landmark season, for many of the boys. A steady start to proceedings saw this superb group of young men build & improve, culminating in a well earned finals berth. The boys bonded brilliantly together, instantly creating an inclusive & friendly environment in which to thrive.

Hayden & Ned proved nigh on immovable with the bat - our rocks at the top. Coupled with his stoic defence & elegant strokeplay with the bat, Hayden's seam-upright bowling was a treat to watch.

Ned's consistently positive attitude, superb catching & relentlessly infectious voice in the field saw him deservedly take home this year's Fielding award.

Unlucky to be pipped for that same prize was Ander, who will do well to spend the off-season registering his cannon of a right arm, as a deadly weapon. His electric fielding & stump-to-stump bowling kept us alive in many matches.

Two of the true highlights of the 2015/16 season were the phenomenal debut performances of both Dut & Louie.

Dut is a natural bowler who amazingly managed to pick up a wicket in his first ever over of cricket. Louie is an extremely talented all-rounder who should certainly stick with the sport. His natural leadership instincts came to the fore as the season progressed.

The youngsters of the group in Sweeney & Patrick were readily accepted into the fold & more than held their own. Sweeney was

ever-inquisitive & always looking to improve; he will only grow & develop in seasons to come. I have no doubt that Patrick will build on his already evident talent & become a most accomplished cricketer.

Some of the biggest improvements came through the performances of both Lachie & Sammy. When Sam is positive & backs himself he is able to give a true account of his many abilities. Lachie's second half of the season was a sensation. Whether it was the newly purchased bat, or simply the newfound confidence of the bloke wielding it, Lachie provided ample entertainment with his lusty late season hitting.

When it comes to late season hitting, look no further than Nico, whose imperious knock blasted us into the semis & secured him a coveted batting award. When Nico wasn't slapping bowlers to all parts of the park, he was busy steaming in & forcing his teammates to hop around the nets, in self-preservation.

One such teammate was Oscar; the epitome of a true team player. Literally batting everywhere from the opening spot down to number 11, bowling both pace & spin, & often taking on wicket-keeping duties; there was nothing Oscar didn't try his hand at - & make a success. His calm demeanour & enthusiastic influence around the squad, made Oscar a treat to coach.

Another who excelled in all three facets of the sport was the effervescent Rohan. His powerful batting & attacking bowling style saw him win silverware in both categories, but it was his loquaciousness that will remain forever etched in this scribe's memory.

Last, but by no means least, is Eric. A classy fast bowler, Eric continually skittled batsmen's stumps. With blade in hand himself, he was nearly impossible to dismiss. Rumours abound around the playing group that Eric only got himself out once, in order to obtain an average for the season...

All told, a highly successful season of results was - in my opinion - far outshone, by the vast levels of improvement & enthusiasm exhibited by the boys as a whole.

A season defined by attitude & aptitude, this group of young men were a joy to coach & I sincerely hope they all return to play again next year - & for many seasons to come.

If so, the future is bright for Edinburgh Cricket Club.

Finally, a massive thank you to all the parents involved over the course of the summer, & special thanks to Andrew for his indefatigable work in taking on the role of team manager.

Without all the transportation, preparation of teas, scoring duties & general organisation, these boys simply wouldn't be able to enjoy the wonderful sport of cricket.

So - Thank You to all involved in a fantastic season & I hope to see you all again next summer!

Sunny Munn

Edinburgh Cricket Club

Junior Season Report 2015-2016

What a mixed season for the U14B team with 3 losses, 3 draws and 3 wins. However the wins came in the final matches of the season over teams lost to previously, reflecting the enormous improvement over the course of the season. Ultimately the team missed the finals by just a small percentage.

While the late season wins were an obvious highlight of the season, a great source of pride was in how the boys coped with the losses and poor weather that marred the first 6 rounds, never dropping their heads and still having fun.

The team was well coached by future England test superstar Jack Edgar (you read it here first), with invaluable training assistance from Richard Blanch. Special thanks should also go to Steve Chetcuti for taking on the scorers role, thus saving other parents the headache inducing task of putting dots and numbers on a piece of paper while being pestered for a score update. The team was managed by Paul Grover who was so poor should never take on that role again!

Round 1 – An early sunset game against Kew with the result in our favour when bad light stopped play. Would the boys get to prove who the better team is later in the season? Highlight was Ethan hitting out towards the end in order to win and selflessly sacrificing his wicket with a runout – surely he would never get runout again!

Round 2 – A close game against Burwood with one highlight being Dante opening the batting and getting 22 not out to kick off his fine season both batting and bowling. Another highlight was Ewan clean

bowling one of their gun batsmen just on the tea break also kicking off a greatly improved season with 3 clean bowled. A loss but a team we would get to play again.

Round 3 – This was tough game against eventual runners up North Balwyn. A low total was easily headed however a highlight was the bowling of Sam who took half the wickets finishing with 2 wickets for just 16 runs off his 6 overs. Eventually Sam went on to take a team high 7 wickets.

Round 4 – Week 1 saw us bat first against a team of older, bigger boys from Boroondara. As such batting was tough but Jakob and Xavier put on a good partnership to display their cricket prowess with both eventually scoring over 50 runs each for the season. Rain robbed us of the chance to bowl them out cheaply.

Round 5 – We question the drinking water of the eastern suburbs as a team of giants from Ashburton turn up to smash overs 6 runs an over. Although Massimo proved the worth of pitching up getting 1 for 10 from 4 overs. The following week we bat well to get our highest score of the season for the loss of only 4 wickets with the highlight being Hemi batting though the first season and making 44 runs. A performance that saw him promoted to the A-team.

Round 6 – It was over to the sloped, tricky grounds of Hislop Park to battle to disciplined bowlers of Canterbury with wickets tumbling. However Angus provided a highlight of controlled batsmanship to be left the last-man standing with 13 not out in our lowest total of the season. This time heat robbed us of the chance to bowl them out cheaply.

Round 7 – A New Year and seemingly a new team with the first of 3 big wins. This time the highlight was Elliot playing a magnificent Captain's knock for a top score of 32 runs setting him up for an eventual season total of over 100 runs.

Round 8 – A real chance to quantify the improvement in the team with a return match against Burwood and a big win. A highlight this time being 40 runs from Miles who scored over 90 runs for the season even though he missed the first 3 weeks. Another highlight was Archie returning from a broken arm to take a diving catch landing on said arm in addition to a great clean bowled.

Round 9 – Finally it's the return game against Kew to settle the question from Round 1, with the boys again winning easily. We were also treated to the highlight of the season with Hugo scoring

the only 50 for the season and getting the highest aggregate score (121 runs), highest batting average and best bowling average – not bad for someone who missed 5 weeks.

Edinburgh Cricket Club

Junior Season Report 2015-2016

Last years U14A team was Edinburgh 1st season competing in A grade, as we only retained the 1 player from that team this season was always going to be a good challenge, we selected the boys who were ready to challenge. Expectation was high given the majority of our team was made up from last seasons U12 B Grade premiership side, given the age of most boys I believe they performed at a very high level of cricket and challenged most teams and were competitive in nearly 100% of games played. Development of these boys over the season has been wonderful to be a part of, I look forward to further improvement again next season as they face their next challenge.

We only achieved the one win this season which made it all the more special when it final happened, a credit to the boys as they maintained positive and upbeat all season as they were very close to win a number of games. Edinburgh Cricket Club would be very proud to have such a fine group of young players represented in the Eastern Cricket Association

A big thank you to all players and parents, it has been good to meet you all and I look forward to working with you again soon. Special thanks to the boys who filled in when we were short of players, if not for you boys we would have really struggled, Miles Fricke, Ethan McKenzie, Tom Mileto and of course our team mascot U10 player Sebastian Donnellan who made our win against STC possible

Kris Marshall

MANAGER

David Clark

James Fear

Our team Captain who led from the front all season with the bat making the most runs and our highest individual score, 80 not out. James made a total of 241 runs, 5th best overall in the U14A grade competition and this has won him our award for the best batsmen this season at ECC. Well done James, you have been a great role model for our boys, you show good commitment and always ask for the best from your players which has earned you their respect. James was also awarded the honour to represent ECC when he was selected by the Metropolitan Inner South East Scorpions to play in the U14 Victorian Bushrangers State Championships where he performed well

Darcy Munro

Appointed Vice Captain of our team by James Fear, Darcy rewarded his Captain with good leadership skills and provided good knowledge of our team mates and our opposition. Darcy was also named Vice Captain of the Des Nolan U14 Premiership team who played for the Eastern Cricket Association in the Victorian Metropolitan Cricket Union where he had a fantastic carnival and showed he will be a future leader. Darcy made 85 runs for us this season and is awarded our 2nd batting award

Ben Donnellan

This young boy is still eligible to play U12 cricket however he chose to challenge himself against better opposition and prove his ability to his team mates. Ben's efforts this season were awarded when he was selected to Captain the Josh Browne U12 team who played for the Eastern Cricket Association in the Victorian Metropolitan Cricket Union where he had a brilliant carnival as was awarded the Most Valuable Player. Ben made 81 runs for our team this season and is awarded our 3rd batting award

Josh Ward

Josh would be 1st person picked in any cricket team, a very good young cricketer who has a wonderful personality and is a pleasure to coach. Josh represented ECC when he was selected to play for Victoria in the Cricket Australia State Championships in Brisbane where he took 6 wickets @ 15.75 runs per wicket, fantastic achievement. Josh also took the most wickets for our team this season, 8 @ 14 runs per wicket and is awarded 1st bowling award

James Connelly

Chosen by his Captain to open the bowling as he used the new ball well always bowled a good line and length asking questions of every batsmen, this resulted in achieving an economy rate of only 3 runs per over. James good bowling seen him selected to represent ECC in the Des Nolan U14 Premiership team who played for the Eastern Cricket Association in the Victorian Metropolitan Cricket Union Carnival where James performed extremely well taking 7 wickets @12.7 runs per over with an economy rate of only 2.1 runs per over, very good bowling. James also took equal most wickets for our team this season 8 @ 15.75 runs per wicket and is also awarded equal 1st bowling award

Harrison Thompson

Very good leg spin bowler who can mix it up with the better batsmen in our competition, economy rate of only 4.1 runs per over which where all good leg spin bowlers rate. Harrison has a very good understanding of his game and leg spin bowling, at times this season he did not bowl to the best of his ability and was able to go back to the basics, work at his technique and perform well the following game. Bowling against Kew round 3 we were looking like chasing a big total until Harrison bowled us back into the game taking 3 wickets for 21 runs off 6 overs and reducing our chase to only 108. Harrison best performance this season was our final game against top side Boroondara where he bowled 6 overs and took 3 wickets for 27 runs. Harrison also took equal most wickets for our team this season 8 @ 17.38 and is also awarded our 1st bowling award

Tom Clark

Looks like a good batsmen out of form, was never troubled by any bowler, played both pace and spin well, all Tom needed was one good innings and I think he would have been away. Tom bowled well this season taking 6 wickets @ 8.83 which shows that no batsmen was able to take runs off his bowling. Toms best game was against Mont Albert where he achieved the figures of 4 wickets for only 8 runs and put our team in a very winnable position. Tom has taken a big step forward this season and I would encourage him to continue to play cricket at the highest level possible

Clement Lazzaro

Clem started the season well and we had all expected he would have a big summer, Clem missed a bit of cricket and this impacted on his performance. Clem and I discussed how important it is for his cricket to prepare well and when he did this his bowling was excellent. Clem clearly has a love for cricket and with a big preseason campaign and a solid commitment next season I am very confident he will achieve what he desires

Max McKenna

Max and I had many discussions this season about his leg spin bowling, he is aware this is the most difficult form of cricket to conquer, if Max is to succeed as a leg spinner he must make the commitment to practise much more than others. Max struggled to find his place with bat and ball in A grade this season he did however keep us entertained, at times I would see Max dancing a little gig as the bowler was steaming in to bowl and at other times he would perform cartwheels and hand stands and then somehow would still be able to field the ball on the boundary line and run out a batsman with a direct hit. The first time we all saw Max run out a batsman with a direct hit we were all amazed, then he did it again and again proving this was no fluke and that he has a brilliant ability and the reason why this season Max will receive our fielding award, well done Max

Hemi Dietrich

Hemi played 5 games with us this season in A grade and 4 games in B grade, decisions did not go his way early on however he showed great determination to turn this around and warrant selection to play A grade again after Christmas. Hemi was eligible to play U12 this season and could have captained our B grade team however is very competitive and wants to play at the highest possible level, Hemi brings great energy to his team and bats with good intent. I really enjoyed watching Hemi bat against Deepdene where he made 23 runs at better than a run per ball and only went out putting his team first when he was run out trying to lift our run rate. Hemi is a pleasure to coach and will be presented with my Coaches award this season

Fin Bennett

Fin only played 4 games with us this season before moving to the USA, I am hopeful he has found an expat there who enjoys his cricket as much as Fin. I am confident if Fin had played a full season he would have served up some good performances, he is missed by all and we wish him well

Julian Marshall

James Fear appointed two Vice Captains this season and Julian was one, he rewarded his Captain with 73 runs and 5 wickets. Julian struggled to start this season however finished well, by his own standards won't be happy with his contribution and will work hard in the off season. Julian represented ECC in the Des Nolan U14 Premiership team who played for the Eastern Cricket Association in the Victorian Metropolitan Union where he enjoyed a good carnival and was awarded as the best bowler and leading wicket taker.

Edinburgh Cricket Club

Junior Season Report 2015-2016

Remember & note down 2015-16 as a landmark year for the Edinburgh CC. The re-birth of the ECC Junior Girls, after one season under the guise of Irene Bullock in the early 2000's, occurred on the back of enormous work from Randall Nodin, Stuart Whiley & Caterina Stella.

To start the season with 7 junior girls who had played a total of 20-games of cricket between them and then to grow our number to 12, develop our skill sets, increase interest outside & inside the club, win a few games along the way and finish by playing in a modified rule Grand Final – was & is truly amazing!!

COACHING/UMPIRING

Brad Shadbolt

MANAGER

Chris Campbell

Special mention must be made of the leadership of Sarah Campbell & Sophie Rush, who co-captained the team, but more important lead, encouraged and ensured the group bonded as one.

Any junior team wouldn't be able to function without an able Team Manager – and this year we had the very efficient & calming influence of Dean Campbell. Many thanks to Dean who assumed the role after the coach had had a few heated discussion with ECA. He then organized all the off field requirements to run smoothly for rest of 2015-16 and managed to keep the coach out of too much trouble!!!

I need to formally thank Paul Holden (Women's Coach), Chris Campbell, George Hampshire, Jack Edgar and Mluleki Nkala (Syke) for their assistance coaching and mentoring the U'15 junior girls players on a Wednesday & Thursday night. And special mentions must also go to the legion of mums & dads who were always on hand to help when needed.

I need to formally thank the club members who week in, week out turned up in masses to support the girls. The support at the Grand Final was nothing short of amazing – thank you.

To Director of Cricket – Stuart Whiley, Junior Coordinator – Randall Nodin and Junior Administrator – Caterina Stella – a massive thank you from all involved In the U'15 Gold group – we appreciate your efforts in organizing the ECC junior program, which enable us and 200 others to have a game with appropriate equipment/resources each week.

The ability of the group was recognized with the following girls being selected in Representative cricket:-

- Sarah Campbell: Northern Falcons U'14
- Sophie Young: ECA U'14
- Maeve Jack: ECA U'14
- Mikaela Kennedy: ECA U'12
- Katelyn Shadbolt ECA U'12

The awards for 2015-16:-

Batting: Joint award Sarah Campbell & Sophie Rush

Bowling: Mikaela Kennedy

Participation: Katelyn Shadbolt, Caitlin Jack, Maeve Jack, Keira Grover, Olivia Baxendale, Oliva Beck, Audrey Betts, Madeleine Hennessy and Grace.

I look forward to the program increasing to possibly two teams next year – with one a development

focused team and the other a semi competitive/development team for the older girls.

Enjoy the winter – Go Burra

Brad Shadbolt

Edinburgh Cricket Club

Junior Season Report 2015-2016

The Mighty Under 16C team have been amazing to coach and the manner in which the lads have carried themselves and played their cricket has been fantastic. The sportsmanship, maturity and focus on team has been incredible from every player.

We won 4 games this season and drew a couple due to rain and only just missed out on finals. The team highlight of the year for me was when we chased down 202 at Cooper Reserve in round 5.

A big thank you to all the parents for coming to support the boys every week and providing the afternoon tea. Special thanks to Cluny and Rowan who took on the role of team manager this year.

Ok now onto the players. In alphabetical order we have:

Aleksander had a very solid year and his bowling really developed as the season went on. In the latter part of the year Aleksander bowled some fantastic spells and it all came down to a simple thing – pitching the ball up.

Finished the year with 3 wickets at an average of 28 and a bowling best of 1/10. Aleksander was our most unlucky batsman for the year and ended up with 40 runs at a healthy average of 13.33.

At the start of the year I was very surprised Pascal was in our team, I thought he could have played in the higher grade but I was stoked to

have him. I thought he was going to take 20 wickets this year but the kids just weren't good enough to get bat on ball to get the edges.

Don't worry big fella, next year I can see already that it will all come together and you will have a cracking season. Pascal ended up with 3 wickets at 35 with a bowling best of 2/27 including a wicket first ball of the innings which you really don't see too often.

Also had a pretty good time with the bat notching up 84 runs for the year.

Downtown Brown as his new nickname goes had a great year, really coming good with the ball in the last half of the year and ended up equal 2nd in the bowling with 8 wickets at a seriously good average of 10.5. His best was an impressive 3/3 but it was his last game of the year where he took 3/15 to stamp his name on a trophy that was most impressive.

Highlight of the year for Downtown, and the reason for his nickname is when he was batting and couldn't score he said to me while I was umpiring "I can't hit anything, I better get out soon'. Next two balls he went Downtown over long off for two fours in a row.

Shortsy as we like to call him had a ripper season with bat and ball and was the first to put his hand up to do some of the tough stuff like opening the batting when no one else wanted to. Simon took an impressive 5 wickets for the year and just missed out on a trophy. He would have had more if the batsmen were good enough to snick one.

Shortsy probably doesn't agree with me on this but he did have a very good year with the bat also. Especially when opening and seeing off their opening bowlers. The runs will come next year mate I am very sure of this.

The Raff! The Raph became an instant favourite of the whole team and I think it's fair to say we are all stoked he won the bowling award.

Raph ended up with an impressive 11 wickets at an average of 14.36 and was always the go to man when we needed to tie down the middle order. As good as Raph was with his bowling this year I still think the highlight was his almost 6 in the round 1 at Alfred Crescent.

Onya Raph and congratulations on winning the bowling award mate.

Mr Casual, just takes it all in his stride. Had a great year with the gloves. Took 3 catches including a one hander in round 1 which earned him his nickname of Mr Casual. Also involved in a run out.

But it was when Darcy got out from behind the stumps and had a bowl that we realised we needed to bowl him more. Took 2 wickets in 2 balls to give him the bowling figures of 2/2. I think next year we might need to get some more overs into Darcy. Darcy also wins best comment this year, narrowly taking it ahead of Raph.

It was when he was fielding and he dived for the ball and ended up with a big mud stain on the front his jumper I said 'Your mum is not going to be happy with you' and then quickly realizing that was a bit sexist I followed up with 'or your Dad of course. Who does the washing'. Darcy's reply was 'neither, we have a washing machine'.

Zander is the spiritual leader of the side. Always chirping on the field and is one of the best fielders we have.

Like his haircuts this year his bowling was a bit all over the shop at times but when he got it right he was far too good and far too fast for the batsman. Took 3 wickets across the year with his best day being 2/22.

But it is with the bat Zander really tears a game of cricket apart. Zander has come third overall in the batting with 111 runs at 22.20 and it was this year he notched up his first 50. Zander also played some senior cricket this year and from all accounts carried himself in a very mature way so I'm quite proud of that. Congratulations Zander on winning a trophy this year mate.

The quiet achiever. Conor just goes about it with no fuss.

I actually feel a bit bad now that I've coached him for 3 years and still haven't got him a nickname but I can feel that next year is the year mate.

Conor didn't take as many wickets as in previous years but we worked on a few things at training and we got him coming around the wicket and he had instant success with his best figures for the year of 2/18.

Because of Conor's awesome attitude and willingness to do whatever I ask him this year he wins my coaches award. Well done mate!

Sushi boy. What a great year mate. Just all round class.

179 runs at 35.8

5 wickets at 23.8

4 catches = equal first

Just a wonderful year mate and I am seriously stoked you notched up your first 50.

Congratulations Liam for winning the batting trophy for second most runs!

Lloyd I had a great time coaching you this year mate. I know we had conversations about pace vs spin and I think you have the right idea. Bowl pace while you are young but I really think later in life some left arm tweakers might be the way to go.

Had a really solid year with the bat coming in 4th with 66 runs and a season best of 23. Lloyd took 8 wickets this year at an average of just 12.75 which is a very impressive average when you consider her bowled the most overs this year.

Congratulations Lloyd on winning a bowling trophy for equal second and being the man Raph was most fearful of taking out first place.

One of my perennial favourites, Beef is just a little legend to coach.

It was in the later part of the year we realised he is the best opening bat in the team and he really began to shine. Came in 5th in the club batting with 62 runs for the year at 15.50 which is outstanding and was only 4 runs shy of 4th place.

Also starred with the gloves and took the equal top catches for the year with 4 and for this Henry wins this years fielding award. Congratulations Beef!

I know this isn't in alphabetical order but I wanted to save the skipper to last.

Matthew had an outstanding season with bat and ball and also in the field.

Matthew made 258 runs this year at 43 and came second in the league batting. The other team was letting their kid bat to 60 so really Matthew should have won the whole lot. Highlights were the two 50's with the bat.

But it was as a skipper Matthew came along leaps and bounds. At the start of the year some of the field placements were a bit haphazard but at the end he was setting the field exactly how I would have. He also made sure everyone got a go and really shared the bowling around. You did a fantastic job Matthew and congratulations on winning the batting award.

Edinburgh Cricket Club

Junior Season Report 2015-2016

The U16B's have had a mixed season. It is a team with incredible amounts of potential and we find ourselves disappointed to have not made finals however I hope the boys have enjoyed their season and I personally have seen development in every single one of them.

Jon Graham-Perez: Jon has captained throughout the season and shown some excellent leadership qualities and has set the example to the rest of the boys both on and off the field. With his batting he has valued his wicket and very rarely thrown it away, occupying the crease for long periods of time. He has been our most consistent bowler throughout the season very rarely goes for more than 2 an over!

Douglas Warren: Dougie has shown some excellent maturity with the bat this year especially considering he is playing an age group above himself. He has opened the batting for the majority of the year and has consistently batted overs seeing off the opening bowlers and the new ball. I have been really impressed with his attitude at the crease and his 120 runs for the season is an injustice as I have retired him on numerous occasions. He also shows potential with his left arm off-spin picking up a couple of important wickets.

Mark Foster: Macca has also opened the batting for most games this season and again I've been impressed at how solid Mark is and comfortable he is facing up to the new ball. He is also an extremely talented wicketkeeper with fantastic natural hands and very rarely concedes byes. Mark's attitude to both training and games have been first class, he is always listening and looking to improve.

MANAGER

Matt Forssman

Will Clarke: Will has been one of our top performers, in all aspects with bat, ball and even in the field. His 81 against Bulleen is one of, if not the best innings I have seen in a junior game, totally tearing apart the bowling attack whilst still playing technically correct cricket shots. He has been our leading run scorer with 141 runs for the season and also collecting 8 wickets at an average of 10.88.

Nick Nodin: Nick has also contributed very well with the bat being our second top run scorer with 133. Nick paces his innings extremely well, picking up singles early in the innings and also being able to find boundaries as he gets his eye in. Nick's injured shoulder restricted his bowling this year but whenever he has been called upon he has been very consistent and often ties batsmen down.

Harry Syson- Harry has been our leading wicket taker for the season with 9 at an economy rate of less than 3, he has lead the bowling attack superbly, bowling with pace and control. His ability to swing the ball both ways is an exceptional attribute. Harry's batting has also impressed me this year, albeit with limited opportunities. His 29 against Bulleen with wickets falling around him showed that he is certainly capable of being an opening bowler AND a top order batsmen. Harry played his 2nd grade senior debut this year which is a fantastic achievement.

Jerome Heywood: Jerome has a fantastic attitude to cricket, always wanting to be involved and in crucial situations always puts his hand up with bat and ball. There is plenty of talent to back that up as well, his 28 against Trinity Willison showed a great balance of not losing his wicket while not allowing the bowlers to get on top of him. Jerome also made a senior 4th grade 50 this year which is a fantastic achievement. Jerome has lots of potential with his bowling and has shown that in glimpses this year, the extra bounce he gets puts batsman in trouble.

Felix Sharkey: Felix has had a strong season and contributed with both bat and ball throughout, his swashbuckling 50 early on in the season against Canterbury showed the potential he has with the bat. He is extremely consistent with the ball and his late swing causes many problems for batsmen. He has taken 7 wickets, his best figures being 3/16 against Deepdene Bears.

Cooper Forrman: I have seen a lot of progress this year from Cooper, particularly with the ball. He has bowled 21 overs and only conceded 50 runs from those overs which is an excellent return. Cooper also has lots of potential with the bat. We have seen as the season went on how he matured and worked very hard on choosing the right ball to go after and which ones to

leave or defend. His 22* against Surrey Hills was extremely valuable in what turned out to be a very tricky run chase.

Finn Blackman: One of the youngest players in the team yet one of the strongest players in the comp. Week in week out Finn troubles batsman and he and Harry often have sides 3 down by the end of there opening spell. His 7 wickets for the season do not show the quality which Finn has bowled at, however his 4/21 against Ashburton Willows was where he finally got the reward for his bowling efforts. He can also hit an extremely long ball for his age and over the course of the season has shown he also has the ability to bat long periods of time if required.

Harvey Daffern: For a player he could still be playing U14's he has certainly not looked out of place, he has a bowling average of less than 10 and has shown the ability to consistently bowl really good areas. His 3/28 against Clifton Hill (which should have been 5/28 had we taken our chances) showed the progress Harvey is making. Harvey has also worked extremely hard throughout the season on his batting, he has a very good eye for the ball and is also solid in defence, with a very cut shot in particular.

Rory Buggle: This was Rory's first year at the Burra but he has fit in perfectly and one of the loudest characters in the dressing room. He has also contributed on the field, with some handy quick-fire knocks at the end of the innings to boost our score. His 1/5 off 3.2 overs in round 5 showed his ability to tie down batsmen and bowl to a set field.

Joshua Bradley: Josh has made progress this year with his wicket keeping claiming 6 victims throughout the season and shown improved footwork behind the stumps stood up especially. He has a fantastic attitude to both games and training as he always looks to further his development and that is starting to show and his hard work is paying off.
